# TERMS & CONDITIONS

- Hereinafter, Salon Privé & Salon Privé Concours de Vente will be referred to as "the event" and includes three days of public exhibition and the preceding and following days of set up and removal of all related equipment, cars and furniture. The official organisers are referred to as "the organisers", being Performance Events Limited and its authorised agents, employees and proxies. The client may also be referred to as the owner or entrant. The location at which the event is to be held will be referred to as "the venue". The principal(s) and the agent(s) of the firm, entity, company, partnership, individual or group; whose agent is signing this agreement ("the signatory") will be referred to as "the client".
- The client shall be bound by the conditions, rules and regulations set forth in this agreement. Any changes must be made in writing and signed by the organisers who shall have full power to interpret, make or amend these rules provided that such amendments and additions do not operate to diminish the rights reserved for the client under this contract, and shall not operate to increase liabilities of the organiser's sponsors, or their agents and employees.
- The signed agreement and its receipt by the organisers is deemed conclusive evidence of the client's agreement to pay the full fees due in line with the payment terms overleaf. The client further acknowledges that this document constitutes the entire agreement and the binding rules and regulations existing between the organisers and that the client have been given no oral change or modification. No one is authorised to make any oral changes in this agreement.
- The organisers reserve the right to change the venue and dates of the event, should it be commercially necessary, without penalty. Variation of the venue and dates will be notified to the client in writing but does not constitute cancellation by the organisers.
- The organisers reserve the right to treat the booking as being cancelled by the client if payment terms noted overleaf are not strictly adhered to by the client.
- The client may cancel this booking within 14 calendar days from signing (the cooling off period) and obtain a full refund.
- In the event of cancellation after 14 calendar days from signing of the booking by the client, the client will remain liable for 75% of the total contract value if cancellation is made in writing before the 1st of February in the year of the event. The client will remain liable to 100% of the total contract value if cancellation is made on or after the 1st of February in the year of the event. Balances payable on cancellation are due 14 days from the date of cancellation.
- The client will only be permitted to attend the event once 100% of the amount payable has appeared as cleared funds within the organiser's account.
- If the event is subject to a cancellation by the organiser the full 100% contract value will be returned, or in the event only part has been paid, only this part payment will be refunded.
- All contract values and additional costs will be subject to standard UK VAT unless otherwise detailed by the HMRC and deemed applicable by the organisers. The organisers reserve the right to deem the transaction as 'reverse charge' for EU customers. The organisers will only deem the supply as a reverse charge transaction if they supply a valid EU number for the business noted on page 1.
- The organisers reserve the right to actively resell and reallocate the client's event entry space from the date of cancellation.
- The client is expected to comply with all the venue's regulations and all government rules and regulations. A document containing venue rules and regulations will be sent to the client prior to the event. Upon receipt, it remains the responsibility of the client to adhere in full to the rules laid out by the venue.
- This agreement is solely for the benefit of the client and the organisers, no 3rd party is entitled to either gain benefit or incur liability from it, nor rely upon its contents directly or indirectly.
- The rights and benefits bestowed to the client under this agreement are strictly non-assignable. The client shall not assign its contracted event entry space any other firm or person.
- The client is prohibited without prior consent of the organisers from selling, advertising or promoting services or products that are offered by the event official sponsors at any given time, this includes but is not limited to: insurance services, champagne, fine jewellery, tyres and skincare, irrespective of ownership or agency as under clause 19.
- The client shall not permit raffles, donations or other promotional measures that require members or guests to be present at a specified location and time, and all unusual promotional plans must be approved by the organisers and the organisers' committee.
- Attendance hours shall be controlled solely by the organisers and the organisers' committee who will specify hours etc., and admission shall be by ticket only. Tickets are not transferable.
- The client will not be allowed to remove its vehicle from the venue prior to the official termination of the event. For the avoidance of doubt this is 17:00 on Saturday 20th April 2024.
- All cars entered into the event must be currently and actively for sale, ideally advertised for sale in the press or on a website. The organisers might seek reassurances to this affect.
- All vehicles accepted into the event must be in perfect working condition and must participate in the Official Concours Parades as dictated by the organisers.
- No race cars or cars with unsilenced engines will be permitted to run in the concours parades, or start their engines while at the event.
- Preservation cars are permitted entry into the event, but the organisers request that entrants enter in the spirit of a concours d'élégance, where 'barn finds' or partially restored cars would not be acceptable.
- Marques come on a first-come first-served basis. In an attempt to prevent the prevalence of any particular make or model on the lawn, the organisers retain the right to refuse an entry should they feel this situation has occurred.
- The organisers respect that entrants might not be able to submit their selected car details on the submission of this entry form. The deadline for these details is 03/04/2024.
- All vehicles must not display stickers, emblems, excluding club emblems, other event or sponsors' logos or any general advertising which could have a commercial purpose. Any vehicles displaying the above may be subject to refusal of entry and removed at the clients' cost from the event.
- All vehicles will be inspected by the Jury on Thursday 18th April 2024. Entrants must be available for questions and assistance during this inspection period. If the owner or entrant are not able to be present, you must nominate in writing a representative to present your vehicle for this inspection.
- All vehicles, entrants or nominated representatives absent from the inspection will be automatically excluded from the Awards' selection process.
- The organisers' committee, sponsors and the organisers, are not responsible for any loss, theft or damage to property howsoever caused, or injury to any person acting outside the restraints of this agreement or negligently in any way. Reputable watchmen will be on duty day and night, but the organisers, while taking precautions against loss, will not guarantee or offer indemnity against it. The client acknowledges and hereby expressly releases the organisers from any liabilities for loss, injury or damage therefrom. The client is urged to adequately insure their vehicles and contents.
- The client may utilise at its own discretion for commercial use any photos, videos, marketing material gained during the event from any source.
- The client agrees to be kept informed of updates regarding this entry and any future concours events from Salon Privé.
- The organisers' committee, sponsors and the organisers, will not be responsible for any errors or omissions on copy printed in the event catalogue prepared and submitted by any advertiser or the client.
- The organisers' committee, sponsors and the organisers shall not be liable for loss, damage or delay, which shall make it impossible or inadvisable for the organisers to hold the event resulting in cancellation, abandonment, postponement or curtailment in whole or in part of the event, at the time and the venue provided, outside the organisers' control and howsoever caused including; acts of god, acts of war, civil commotion, strikes, lockouts, intervention or regulation and military activity. The organisers reserve the right to reschedule the event at another date and/or at an alternative location. In the case of such events the agreement shall be deemed frustrated.
- The organisers will not be responsible and will be held harmless should any conflicts or misinterpretations arise with the host country, its sponsors, agents or other bodies regarding any and all aspects of the event which may affect the client and its exhibits.
- In the event that this agreement becomes frustrated the client acknowledges that the organisers have sustained damages and losses as a result and does hereby waive all claims for damages or compensation. The client hereby accepts that the sums paid to the organisers as fees or otherwise in connection with the event shall remain the property of the organisers where traceable to an associated cost of the client's booking.
- The organising committee, sponsors and the organisers are not responsible to assist the client in obtaining passport and visa, for entrance into the country where the event is to be held. The fact that the client is unsuccessful in obtaining these documents from the necessary government authorities will not constitute a basis for frustration of this contract and the client will be deemed as cancelling the agreement subject to the aforementioned payments, thus it is clearly understood that no refunds whatsoever will be made and liability for payment will persist. The client, however, may substitute another party who meets the entry and government formalities necessary for entry into the country where the event is to be held. Such substitution shall be the sole responsibility of the client and must be notified to the organisers.
- The organisers' committee, sponsors and the organisers are not responsible for any loss, damage or delay incurred in freight shipments (transport, handling and clearing) into and out of the country in which the event is held. The client is urged to adequately insure all shipments.
- The client hereby expressly acknowledges that the organisers offer no indemnities or guarantees relating to the client's attendance at the event and 3rd parties, or any financial, personal or commercial losses suffered. Furthermore, the client is advised to obtain insurance on their own terms from a reputable insurance provider for their costs of attendance at the event and for any assets belonging to the client present at the event.
- This agreement shall be governed by and construed according to UK law. In any dispute under this agreement the parties hereby submit to the jurisdiction of any competent court within the UK.

I hereby confirm that I am duly authorised to contract by the aforementioned entity, as noted on page 1, and agree to the terms & conditions of this booking set out above.
